Important Plan Information

Dear Member,

To receive the most up-to-date listing of our Provider and Pharmacy network, please visit our plan website and access our searchable directory at www.aspirehealthplan.org. Our tool allows you to search using specific criteria such as location, specialty and gender and your search results will always yield the most current information about our plan's network of providers and pharmacies.

If you would like to request a mailed copy of the current Provider and Pharmacy Directory, or if you need help finding a network provider and/or pharmacy, please call member services toll free at (855) 570-1600 (TTY users call 711). We are open 7 days a week from 8 am to 8 pm October 1 through February 14 and Monday through Friday 8 am to 8 pm February 15 through September 30 (except certain holidays). You can always access our online searchable directory at www.aspirehealthplan.org.

Sincerely,

Aspire Health Plan
