Section 1 – Introduction

This directory provides a list of Aspire Health Plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP and all services must be received by a network provider. These services include x-rays, laboratory tests, therapies, specialists, hospital admissions, and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. You may obtain services from in network specialty providers, without a referral from your PCP. Your PCP may need to obtain prior authorization (prior approval) for certain services, as outlined in your evidence of coverage.

The “network providers” listed in this directory have agreed to provide you with your medical, hearing, dental and vision health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Non-emergency services obtained from nonparticipating providers will require prior authorization.

If you receive a bill from a non-contracted provider, you should not pay the bill. You should submit it to Aspire Health Plan for processing and we will let you know what, if anything is your financial responsibility. You may contact us toll-free 1-855-570-1600, October 1 through February 14, 8:00 am – 8:00 pm, seven days a week; February 15 through September 30, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 711. Our mailing address is P.O. Box 5490 Salem, OR. 97304.

If you need care when you are outside the service area, your health care coverage is limited.

Generally, the only services we cover when you are outside our service area is care for a medical emergency, including post-stabilization care, urgently needed care, renal dialysis (kidney), and

care that Aspire Health Plan has approved in advance. If you are a member of the Aspire Health Advantage Plus (HMO-POS) plan, out of network benefits for Medicare-covered medical services accessed outside of the plan’s service area of Monterey County, CA are covered. Please refer to the Evidence of Coverage for details and authorization rules. If you have questions about whether a service is covered when you travel, please call our Member Services Department toll free at 1-855-570-1600, October 1 through February 14, 8:00 am – 8:00 pm, seven days a week; February 15 through September 30, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 711.

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room. **In any emergency, you never need to contact any plan provider, even your own PCP, for either permission (“authorization”) or a referral.**

However, as soon as possible, you or someone else should contact Aspire Health Plan toll free at 1-855-570-1600, October 1 through February 14, 8:00 am – 8:00 pm, seven days a week; February 15 through September 30, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 711. Your health plan needs to know about your emergency because we will provide follow-up care. Please try to contact Aspire Health Plan about your emergency within 48 hours. You must use plan providers except in an emergency or urgent care situations or for out-of-area renal dialysis or other services. If you are a member of the Aspire Health Advantage Value (HMO) plan or the Aspire Health Advantage (HMO) plan and you obtain routine care from out-of-network providers neither Medicare nor Aspire Health Plan will be responsible for the costs. If you are a member of the Aspire Health Advantage Plus (HMO-POS) plan, out-of-network benefits for Medicare-covered medical services accessed outside of the plan’s service area of Monterey County, CA are covered. Authorization rules may apply, please refer to the Evidence of Coverage or contact the plan for more details.

2017 Pharmacy Directory**

This booklet provides a list of Aspire Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Aspire Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Aspire Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of June 26, 2017. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Aspire Health Plan.

All pharmacies in this booklet are listed alphabetically by city.
