Effective Dates: Part A Hospital: _____ Part B Medicare: _____

You must have Medicare Part A and Part B to join a Medicare Advantage plan.

An incorrect or incomplete Medicare claim number may cause a delay or denial of coverage.

Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or the RRB. DO NOT pay Aspire Health Plan the Part D-IRMAA.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will receive a monthly bill.

Please select a premium payment option:

Receive a monthly bill

Electronic funds transfer (EFT) from your bank account each month. Please enclose a VOIDED check or provide the following:

Account holder name: _____ Bank Routing Number: _____

Bank Account Number: _____ Account type: Checking Saving

Automatic deduction from your monthly Social Security or Railroad Retirement board (RRB) benefits check. (The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)
