## SECTION 1 We Are Changing the Plan's Name

On January 1, 2018, our plan name will change from *Aspire Health Advantage Plus* to *Aspire Health Plus*.

You will receive a new ID card in the mail prior to January 1, 2018.

## SECTION 2 Changes to Benefits and Costs for Next Year

### Section 2.1 – Changes to the Monthly Premium

Cost	2017 (this year)	2018 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$239.00	\$247.00
<b>Enhanced Health Benefits</b> This optional supplemental benefit includes comprehensive dental coverage, an enhanced eyewear benefit, a routine hearing exam and hearing aid benefit, and is available for an additional monthly premium.	\$29.00 in additional premium per month <i>if</i> you choose to enroll in this optional coverage.	\$31.00 in additional premium per month <i>if</i> you choose to enroll in this optional coverage.

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more, if you enroll in Medicare prescription drug coverage in the future.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs.

## Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2017 (this year)	2018 (next year)
<b>Maximum out-of-pocket amount</b>	\$50	\$0
Your costs for covered medical services (such as co-pays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	Once you have paid \$50 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year.	

## Section 2.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.aspirehealthplan.org](http://www.aspirehealthplan.org). You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2018 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

---

## **Section 2.4 – Changes to the Pharmacy Network**

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at [www.aspirehealthplan.org](http://www.aspirehealthplan.org). You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2018 Pharmacy Directory to see which pharmacies are in our network.**

---

## **Section 2.5 – Changes to Benefits and Costs for Medical Services**

---

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your 2018 Evidence of Coverage.

Cost	2017 (this year)	2018 (next year)
<b>Health education – Living Well workshop</b>	You pay nothing for the Living Well Workshop (Chronic Disease Management Program) benefits.	<u>Not</u> covered.
<b>Health education – Health coaching program</b>	<u>Not</u> covered.	You pay nothing for the Health Coaching Program benefits.
<b>Vision care</b>	<p>You pay \$10 co-pay for each routine eye exam.</p> <p>You pay \$25 co-pay for eyewear materials: (frames, lenses, or contacts).</p> <p>Our plan pays up to \$100 every 12 months for eyewear.</p>	<p>You pay nothing for each routine eye exam.</p> <p>You pay nothing for eyewear materials: (frames, lenses, or contacts) up to the maximum benefit.</p> <p>Our plan pays up to \$100 every 12 months for eyewear.</p>

## Section 2.6 – Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” You can find our Drug List online at [www.aspirehealthplan.org](http://www.aspirehealthplan.org) or call Member Services at (855) 570-1600 to request a mailed copy.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug. We encourage current members to ask for an exception before next year.**

- To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the Evidence of Coverage.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If the plan has granted a formulary exception for a non-formulary medication you are taking in 2017, the formulary exception will expire at the end of the calendar year. If you still need the non-formulary medication in 2018, you will need to submit a new formulary exception request prior to the 2018 calendar year.

### Changes to Prescription Drug Costs

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and haven’t received this insert by *September 30, 2017*, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 8.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your Evidence of Coverage for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the enclosed Evidence of Coverage.)

## Changes to the Deductible Stage

Stage	2017 (this year)	2018 (next year)
<b>Stage 1: Yearly Deductible Stage</b>	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

## Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how co-payments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your Evidence of Coverage.

Stage	2017 (this year)	2018 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost.</b></p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your Evidence of Coverage.</p> <p>We changed the tier for some of the drugs on our Drug List. <p><b>Specialty:</b> You pay 33% of the total cost.</p>	<p><b>Specialty:</b> You pay 33% of the total cost.</p>

**Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

**SECTION 3 Administrative Changes**

Cost	2017 (this year)	2018 (next year)

## SECTION 4 Deciding Which Plan to Choose

### Section 4.1 – If you want to stay in *Aspire Health Plus*

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2018.

### Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, *Aspire Health Plan* offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from *Aspire Health Plus*.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 8.1 of this booklet).
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2018.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3 of the Evidence of Coverage.

If you enrolled in a Medicare Advantage plan for January 1, 2018, and don’t like your plan choice, you can switch to Original Medicare between January 1 and February 14, 2018. For more information, see Chapter 10, Section 2.2 of the Evidence of Coverage.

## SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In *California*, the SHIP is called **California Department of Aging's Health Insurance Counseling and Advocacy Program (HICAP)**.

**California Department of Aging's Health Insurance Counseling and Advocacy Program (HICAP)** is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. **California Department of Aging's Health Insurance Counseling and Advocacy Program (HICAP)** counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call **California Department of Aging's Health Insurance Counseling and Advocacy Program (HICAP)** at *local: 831-655-1334 or toll free: 800-434-0222*. You can read the *Medicare & You 2018* Handbook. Every year in the fall, this booklet is mailed to people with Medicare. It has a summary of Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. If you don't have a copy of this booklet, you can get it at the Medicare website (<https://www.medicare.gov>) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
