

Important Notice about the Formulary and Provider & Pharmacy Directory

Aspire Health Plan has a list of covered drugs (called a **Formulary**). The drugs on the Formulary are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the plan's Drug List. If you have a question about covered drugs, please call member services toll free at (855) 570-1600 (TTY users call 711) or visit www.aspirehealthplan.org to access our online print ready or searchable formulary. If you would like a formulary mailed to you, you may call the number above.

To receive the most up-to-date listing of our **Provider and Pharmacy Network**, please visit our plan website and access our searchable directory at www.aspirehealthplan.org. Our tool allows you to search using specific criteria such as location, specialty and gender and your search results will always yield the most current information about our plan's network of providers and pharmacies. If you would like to request a mailed copy of the current Provider and Pharmacy Directory, or if you need help finding a network provider and/or pharmacy, please call member services toll free at (855) 570-1600 (TTY users call 711). We are open 7 days a week from 8 am to 8 pm October 1 through February 14 and Monday through Friday 8 am to 8 pm February 15 through September 30 (except certain holidays).
