What is an Appointment of Representative form?

Many members like to have their spouse, child, or friend call in to request information, follow up on questions, or appeal plan decisions. We know that it is convenient to be able to rely on a trusted friend or relative to act as your representative for health plan coverage questions or appeals. If you would like to provide a friend or relative with permission to call Member Services and speak on your behalf, please complete the Appointment of Representative form.

Completing the attached Appointment of Representative form does not impact your ability to make your own healthcare decisions. It simply allows your representative to act on your behalf when making requests or filing appeals to health plan decisions.
